- 4.1.2 where the Practice agrees to such an arrangement, it shall Deliver (or engage a carrier to Deliver) the Products specified in the Order to such location as the parties may agree (**Delivery Location**), at any time after the Practice notifies the customer the Products are ready. Delivery is completed on the completion of unloading of the Products at the Delivery Location, or (where the Practice engages a carrier) on the completion of loading of the Products at the Practice's Premises.
- 4.2 In respect of Delivery in accordance with clause 2:

- 4.2.2 where the Practice does not agree to Deliver the Products on a specific date, the standard Delivery date will be [twenty-eight] ([28]) days from the date on which the Order is accepted (**Standard Delivery Date**), and, for the avoidance of doubt:

- 4.3 If (pursuant to clause 4.1.1) the customer fails to accept Delivery of the Products within three (3) Business Days of the Practice notifying it that the Products are ready; or (pursuant to clause 4.1.2) the customer fails to accept Delivery of the Products when the Practice (or its carrier) attempts to deliver the Products to the Delivery Location, then except where such failure or delay is caused by a Force Majeure Event or by the Practice's failure to comply with its obligations under this Contract in respect of the Products:
- 4.3.1 Delivery of the Products pursuant to clause 4.1.1 shall be deemed to have been completed at 9.00am on the third Business Day following the day on which the Practice notified the customer that the Products were ready;

4.3.4 if, as a result of any delay pursuant to this clause 4.3, any Products due to be delivered pass their expiry date, the Practice will not be obliged to source and provide replacement Products (though it may, at its discretion, agree to do so). 6.1.1 co-operate with the Practice, its Team Members and Contractors in all matters relating to the Services and/or the Products;

6.1.2 give prior notice of and provide the Practice, its Team Members and Contractors with all relevant or required site access guidelines, biosecurity requirements and hazards, and such other information and materials as the Practice, its Team Members and Contractors may reasonably require in order to access any premises where a Site Visit is to be conducted, and ensure that such information is complete and accurate in all material respects;

6.1.3 provide the Practice, its Team Members, and Contractors with access to its premises and other facilities (or procure that such access is provided by the relevant party in control of the premises and/or other facilities) as is reasonably required to provide the Services and/or the Products;

6.1.4 provide the Practice, its Team Members and Contractors all fully accurate information and materials (including information relating to the animal's medical history and, where necessary, authorisation to contact other veterinary surgeons to obtain that medical history) as may reasonably be required to supply the Services and/or the Products;

6.1.5 comply with any relevant guidelines in force in relation to the prevention of Covid-19, other diseases and illnesses;

6.1.6 ensure its premises (or any relevant premises) are prepared in such a manner that the Practice, its Team Members or Contractors can supply the Services and/or the Products; and

6.1.7 comply with all applicable laws, including health and safety laws.

6.2 If the Practice's performance of any of its obligations under the Contract is prevented or delayed by any act or omission by the customer or failure by the customer to perform any relevant obligation (**Default**):

6.2.1 without limiting or affecting any other right or remedy available to it, the Practice shall have the right to:

(2.1.i) suspend performance of the Services until the customer remedies its Default; and

(2.1.ii) to rely on the customer's Default to relieve the Practice from the performance of any of its obligations in each case to the extent the customer's Default prevents or delays the Practice's performance of any of its obligations;

6.2.2 the Practice shall not be liable for any costs or losses sustained or incurred by the customer arising directly or indirectly from the customer's failure or delay to perform any of its obligations as set out in this clause 6; and

6.2.3 the customer shall reimburse to the Practice relevant Visit Fee, Initial Consultation Fee and/or Out of Hours Initial Consultation Fee and, on written demand, for any other costs or losses sustained or incurred by the Practice arising directly or indirectly from the customer's Default.

7 Prices

7.1 All fees and other amounts payable, including any relevant Initial Consultation Fees, Visit Fees, Out of Hours Fees, applicable Surcharges and any fees for Products, including Medicines, are subject to VAT at the current rate and may vary depending on: the Team Members/levels of expertise the Practice needs to provide; the time at which an Appointment or Site Visit takes place, whether Small Animals, Equine or Farm Animals are the patient, time spent on a case and according to the Medicines, consumables, materials and any other Products used; or under the terms set out in any Estimate. For the avoidance of doubt, VAT will be applied to all prices at the time payment is requested in accordance with clause 8.

8 Payment Terms

8.1 The Practice may accept payment from the customer by bank transfer, or, with its express agreement, by cash, credit card or debit card at the time the Service and/or the Products are provided.

8.2 In respect of payments by bank transfer, for:

8.2.1 any Services provided pursuant to clause 2, the Practice will invoice the customer on or at any time after the Services are provided.

8.2.2 any Products (which are not Medicines and/or Products containing a hygiene seal) provided pursuant to clause 3, the Practice will invoice the customer on or at any time after completion of Delivery; and

8.2.3 any Medicines and/or Products containing a hygiene seal provided pursuant to clause 3, the Practice will invoice the customer promptly following acceptance of the relevant Order (or as otherwise agreed pursuant to clause 4.6).

8.3 [Unless otherwise agreed by the Practice in writing,]the customer shall pay each invoice submitted by the Practice:

8.3.1 within thirty (30) days of the date of the invoice; and

8.3.2 in full and by bank transfer in cleared funds to a bank account nominated in writing by the Practice,

and time for payment shall be of the essence of the Contract. All amounts payable by the customer under the Contract are exclusive of amounts in respect of VAT. Where any taxable supply for VAT purposes is made under the Contract by the Practice to the customer, the customer shall, on receipt of a valid VAT invoice from the Practice, pay to the Practice such additional amounts in respect of VAT as are chargeable on the supply of the Services and/or Products at the same time as payment is due for the supply of the Services and/or Products.

8.4 If the customer fails to make a payment due to the Practice under the Contract by the due date then, without limiting the Practice's remedies under clause 20, the customer may, at the election of the Practice, be required to pay interest on the overdue sum from the due date until payment of the overdue sum, whether before or after judgment. Interest under this clause 8.4. will accrue each day at up to eight percent (8%) a year above the Bank of England's base rate from time to time, but at up to eight percent (8%) a year for any period when that base rate is below 0%.

8.5 All amounts due under the Contract will be paid in full without any set-off, counterclaim, deduction or withholding (other than any deduction or withholding of tax as required by law).

9 Inability to pay

9.1 If, for any reason, the customer is unable to pay for any supply of Services and/or Products pursuant to the Contract, it should discuss the matter with a Team Member, as soon as possible and before any treatment or Services take place or before the Delivery of any Products.

9.2 The Practice retains the right to instruct third party debt collectors in relation to the recovery of payments due to it pursuant to the Contract. By entering into the Contract, the customer acknowledges and agrees that, if requested by the Practice, it shall pay all costs incurred by the Practice during its engagement of any such third party debt collector.

10 Estimates of treatment costs

10.1 Where practicable, the Practice will provide the customer with a written estimate as to the probable costs of Services and/or Products required in order to pursue a course of treatment or surgical procedure ("**Estimate**"). All Estimates are only indicative and should not be regarded as a fixed price. Additional costs which cannot be predicted at the outset may occur as treatments progress. The Practice will make every reasonable effort to discuss any such additional costs wherever possible. Estimates are valid for twenty (20) Business Days.

11 Professional obligations

11.1 The Practice confirms that it shall provide all Services and/or Products under any Contract in compliance with

applicable laws and any regulatory requirements on it as a provider of professional veterinary medical services.

12 Medicines

12.1 A veterinary surgeon at the Practice may prescribe prescription only Medicines only for animals under their care. A prescription may not be appropriate if the customer's animal is an in-patient or immediate treatment is necessary. The customer will be informed, on request, of the price of any prescription for Medicine(s) that may be prescribed for its animal(s) and agrees to pay all such fees in accordance with clause 8. Clients are requested to give three (3) Business Days' notice for repeat prescriptions.

12.2 The Practice reserves the right, in its sole discretion, to refuse to provide prescription only medicines where the customer brings a prescription slip to it completed by a veterinary surgeon who is not a Team Member and the Practice unable to sufficiently verify the genuineness of that prescription slip.

12.3 The Practice cannot refund the cost of returned medicines. Unused Medicines should be returned to the Practice for safe disposal and the Practice will charge for such disposal Services in accordance with clause 2.2.3.

13 Typical Consulting Hours, Emergencies and Out of Hours in-patient care

13.1 The Practice may, subject to availability, provide Appointments and/or Site Visits during the Typical Consulting Hours.

13.2 If the customer requires veterinary assistance or guidance outside of the Typical Consulting Hours, it should call the Practice to be directed to the Practice's out of hours services ("**Out of Hours Services**"). Where any Out of Hours Services are provided by the Practice, the customer agrees to pay the relevant Out of Hours Fees, including any applicable Surcharge to the Practice (in accordance with clause 8). Where out of hours services are provided by a third party the Contract shall apply to the provision of those services, unless the relevant third party provider requires the customer to enter into separate terms covering those services directly with that third party provider.

13.3 If the Practice accepts an animal for hospitalisation at the Practice overnight or over the weekend, the frequency of checks will be determined by the veterinary surgeon and a Team Member who will then attend the animal as appropriate. For critically ill animals, continuous monitoring can be provided if deemed necessary. To the extent practicable, the Practice will provide the customer with an Estimate in respect of the fees for such inpatient care prior to that care commencing.

14 Second opinions and referrals

14.1 Where the Practice is asked to provide a second opinion, it will always ask for the details of the customer's current veterinary surgeon. The customer consents to their Communication Data being shared with current veterinary surgeon (pursuant to clause 18) to enable the Practice to request the animal's medical history.

14.2 The Practice may suggest referral to a specialist and/or outside consultants for a consultation, investigations or a procedure. If the customer agrees to proceed with the referral, it consents to the Practice sharing its Communication Data with the referral centre or consultant (pursuant to clause 18) to enable the referral centre or consultant to contact the customer. The referral centre or consultant will then notify the Practice of the appointment date and the Practice will arrange for the medical records

and any test result, radiographs or similar to be sent to that referral centre or consultant in advance of the appointment.

15 Ownership of records

15.1 The Practice may carry out investigations on the customer's animal. If it does so, it will own the resulting records at all times. The customer may view its animal's clinical notes on request, and the Practice will endeavour to provide the customer with access to those notes within a reasonable time following such a request, subject to any applicable charges under clause 2.2.1. of these Conditions. Copies of the Practice's records may be passed on, by request, to another veterinary surgeon should the need arise.

15.2 The Practice may use the customer's animal's clinical information in an anonymised or pseudo-anonymised form, for activities including quality improvement, research and clinical audit. In this way, the Practice aims to continually improve the care and services it provides. The customer's animal's data will not be shared with third parties outside of the Practice's company group or any of its other veterinary practices.

16 Complaints and standards

16.1 The Practice hopes to ensure that the customer never has recourse to complain about the standards of service it receives. However, if the customer feels there is something it wishes to raise, it should contact a Team Member who will address the customer's concerns and may escalate the issue internally within the Practice as is appropriate. If the customer is not satisfied with the outcome of this process, it should direct its comments within twenty-eight (28) days in writing, to the address indicated on the Practice's Website. An acknowledgement will be sent by return and then a period will elapse while the case is investigated, and reports collated from the Team Member involved. A reply in writing will follow, usually within twenty-eight (28) days although the period may be longer if the Practice's manager or the Team Member involved are temporarily unavailable or delayed.

16.2 The Practice will not tolerate any aggressive, or abusive behaviour to any Team Member, Contractors, , or any other client of the Practice, whether at the Premises, during a Site Visit, online or on social media, or otherwise, at any time. Any representative of the customer behaving in such a way will be asked to leave the Practice's Premises immediately and the customer may then be notified in writing that it must find alternative veterinary cover.

17 Liability

17.1 The Practice carries appropriate levels of professional indemnity insurance in respect of its supply of the Services and/or Products to the customer pursuant to this Contract.

17.2 The restrictions on liability in this clause 17 apply to every liability arising under or in connection with the Contract including liability in contract, tort (including negligence), misrepresentation, restitution or otherwise.

17.3 Nothing in this Contract shall exclude or limit either party's liability for:

- 17.3.1 death or personal injury caused to a human being;
- 17.3.2 fraud or fraudulent misrepresentation; or
- 17.3.3 breach of the terms implied by section 12 of the Sale of Goods Act 1979 or section 2 of the Supply of Goods and Services Act 1982 (title and quiet possession).

17.5 The total liability of either party under or in connection with any Contract, howsoever arising, shall not exceed one hundred per cent (100%) of the total fees paid by the customer to the Practice in accordance with that Contract.

17.6 The terms implied by sections 13 to 15 of the Sale of Goods Act 1979 and sections 3, 4 and 5 of the Supply of Goods and Services Act 1982 are, to the fullest extent permitted by law, excluded from the Contract.

17.7 The customer acknowledges and agrees that it is responsible for any damage (including as a result of any breach by the customer of the Contract) caused to the Practice's vehicles, equipment or other property while its Team Members or Contractors are visiting the customer's premises (or other relevant premises) or which the customer causes while at the Practice's Premises.

18 Data protection

18.1 Both parties will comply with all applicable requirements of the Data Protection Legislation. This clause 18 is in addition to, and does not relieve, remove or replace, a party's obligations or rights under the Data Protection Legislation.

18.2 The parties consider that the only Personal Data that will be Processed under the Contract will be the contact name and related contact details including physical addresses, email addresses of employees and representatives of the customer and of the Practice ("**Communication Data**"). Each party shall for the purposes of the Data Protection Legislation be regarded as a Controller for that Communication Data. The parties agree that the Processing of the Communication Data will be in accordance with Data Protection Legislation and then only for the purposes of performing the Contract.

18.3 If any other Personal Data is to be Processed by the parties under the Contract, then, the parties will agree and enter into a separate data processing agreement in respect of such Personal Data, in line with the Data Protection Legislation.

18.4 For the avoidance of doubt, the Practice may share the customer's information, including Communication Data and/or Personal Data of the Practice's employees, with third party debt collectors, who will use this Communication Data and/or Personal Data in relation to the recovery of outstanding payments from customer as described in clause 9.1. The Practice's lawful basis for the sharing of such Communication Data and/or Personal Data shall be that it is in the Practice's legitimate interest to secure payment from the Customer in relation to Services and/or Products the Practice has provided in accordance with the Contract.

19 Intellectual property rights

- 19.1 All Intellectual Property Rights in or arising out of or in connection with the Services and/or the Products (other than Intellectual Property Rights in any materials provided by the customer) shall be owned by the Practice (to the extent they are not already owned by a third party).
- 19.2 The customer grants to the Practice a fully paid-up, non-exclusive, royalty-free non-transferable licence to copy and modify any materials provided by the customer to the Practice for the term of the Contract for the purpose of providing the Services and/or the Products to the customer.

20 Termination
